<b>Bradfordville Phipps (B/P)</b>		
	(4) Dismiss appeal pending in the First DCA, allowing the trial court's order in the Second Judicial Circuit to become final and non appealable.	Case over. Condition met.
	(8) Defend the Summary Judgement entered against third parties by the Circuit Court pending before the First DCA.	First DCA rendered decision in favor of Leon County, affirming the lower court's decision. Condition met.
	(10) If a variance is granted as specified in condition (17) allow up to 55% impervious in Phase B, and use Phase B for any of the zoning combinations specified in BC-1. The stormwater requirements are specified in this settlement agreement condition for Phase B, and the stormwater permits previously issued for Phase A will govern the stormwater management on these parcels.	No variance request received.
	(11) B/P will, within six months of the agreement, submit to the County an application for construction of a spray irrigation system to be installed on "Public Property." Within six months of the County's approval of the application B/P will install the system. The County will operate the system as it deems necessary or desirable.	Agreement not in effect until variance acted on as specified in condition 17.
	(12) B/P will gift and convey to Leon County by special warranty deed the "Public Property." B/P in the permitting of the property can use the "Public Property" in computing their impervious and green space requirements.	Agreement not in effect until variance acted on as specified in condition 17.

\*Agreement condition language has been paraphrased. Settlement Agreement conditions that acknowledged support and did not require a specific action have been excluded from the matrix. The Kearny Purchase and Sale Agreement section only shows time specific conditions. Updates to the matrix have been underlined.

B/P continued	(14) The County has the right to improve the granted bicycle/pedestrian easement, but will take reasonable action to enforce the provisions of the easement limitations.	Agreement not in effect until variance acted on as specified in condition 17.
	(15) Allow B/P to relocate Ayavalla Drive as specified in this condition.	Agreement not in effect until variance acted on as specified in condition 17.
	(17) Acknowledge that B/P desires to construct a single structure on the northern portion of the site, which may exceed code parameters, but agree the B/P has the right to apply for a variance and that the application will be expeditiously processed, and given a full and impartial hearing. If the variance is not granted and becomes final and non appealable that the settlement agreement will become null and void.	No variance request received.
	(18) Controlling provisions notwithstanding any other provisions of the Agreement, that neither party will dismiss any pending litigation; that the effective date of the agreement will be the day after the variance in paragraph 17 becomes final and non appealable; that the conveyance of "Public Property" and the granting of easements will not be made until the effective date.	No variance request received.
	(20) In conjunction with B/P defend any contest of variances or approvals granted to B/P in relation to the referenced property.	No variance request received.
	(22) Diligently pursue the prompt resolution of Case No. 98-6337.	LMARA dismissed itself from the case; however, the case is still pending with plaintiffs, Lake Carolyn Estates Homeowners' Association and Killlearn Lakes Homeowners' Association.
